ABOUT US

Our goal at Teresa Clement Dance Studio is to provide the finest dance training possible that will give the students all that dance has to offer, both mentally and physically. Our teaching encourages interaction with the other students and builds self esteem and confidence in your children. We strive to instill the love and understanding of the art, whether for personal enjoyment or with an eye to the professional.

CLASSES

Our classes are being held at the studio (39728 NYS Rte 12) in Clayton. The classes that we offer are Jazz, Tap, Ballet, Gymnastics, Hawaiian (ages 6 and up), Contemporary (ages 10 and up), Hip-Hop (ages 8 and up), Tumble Tots (ages 1 - 3), Adult Hip-Hop, Ballet, Piyo, & Turbokick! Classes are offered to children ages 4 (by Sept. 1, 2019) and up. The classes will be once a week and will last for 30-45 minutes, depending on the age group and number of children in the class. We also offer solo and duet classes.

SCHEDULE/ATTENDANCE

Our schedule will follow the school schedule (no school means no classes). If classes are cancelled due to inclement weather, make up classes will be arranged, if at all possible. If your child misses more than 8 classes from September - May, due to vacations, sports (games), or illnesses, it will be the instructor's decision whether or not the student will be allowed to participate in the recital. A phone call or formal note (doctors note) from a parent explaining why your child was absent will be kept on file and if more than 8 classes are missed, the instructor will then take into consideration all communication from the parents. If your child does not participate in class due to sports scheduling, family vacation, and/or parents choice, monthly tuition must still be paid by the 1st of the month.

CLASS REQUIREMENTS

Each student will be required to wear leotards and tights as well as proper dance shoes for their assigned classes. Gymnastics students will need footless tights and no shoes. No one will be permitted into dance class without proper dance wear and their hair pulled up properly. Students must NOT wear jewelry to class and all cell phones must be turned off during class. If you need something ordered, please let me know.

We allow 'Observation Night' the first week of each month until December. After Christmas break, we are busy preparing for the recital and it is much easier for the students and instructors without the distractions. The only time I will allow any special privileges are when our military families have a parent return home! I also ask that the dance students do not bring any friends in to watch, unless it is an observation night.

2019 REGISTRATION

COSTUMES/SHOES

Orders for costumes must be placed in November to ensure they will be delivered on time and altered for pictures and the recital. The price range for all costumes with tights, depending on the class they are in, are listed below. You will receive a notice stating the amount of your child's costume for each class they participate in. Please start setting money aside so that everyone is able to get an outfit and participate in the recital. If I do not receive the money by November 8th, then I will not be ordering your child a costume for the recital. If you plan on sending the payment with your child to class and your child is sick that day, please call me (leave a message) and drop it in the mail so I can still plan on ordering that costume.

- Ballet & Contemporary: \$50-\$65
- Tap: \$50-\$60
- Jazz & Hip-Hop: \$40-\$50
- Gymnastics: \$40-\$50

(Occasionally there are extras with the costumes that could cost an extra \$10-\$15)

If your child needs shoes for the upcoming dance season, please contact me to arrange for a time to be fitted so your child can be prepared for the first day of classes. I will check everyone's shoes the second week of January and send home a notice if your child will need new shoes for the recital. If your child needs a new pair, then you will need to pay for the shoes the third week so I can place the order the last week of January.

REGISTRATION

We are now offering two options for registration in hopes of making it easier on everyone with our increasingly busy schedules. If your child is a first time student or needs shoes, tights, leotards, etc. please bring your child to registration so he/she can be properly fitted.

We will have our normal registration at the studio on Wednesday, July 10th where you can fill out all necessary paperwork. Please bring \$25 registration fee per child. September's tuition will be due on September 1st and classes will begin the first week of school.

If you are unable to make it to registration, please fill out the attached PDF and mail your completed forms along with the registration fee to the address below as soon as possible so we can begin working on this year's schedule.

REGISTER ONLINE

You can also fill out your registration form and medical form online. Once you submit the registration information you can then pay your registration fee as well as make your monthly tuition payment (or annual - tuition savings plan) online as well. Hopefully this will make things quicker and easier for some!

You will be notified as soon as the schedule is finalized informing you when classes will be held. If anyone signs up after the schedule is finalized, they will be placed in an existing class with an opening based on their ability. If no class is available, we will place your child on a waiting list. Please contact me if there is a problem returning your registration on time, or if you need to come earlier or later than the times provided.
